

WPS/CRS Student Directory 2018-2019

WEST is the parent organization for Walberta Park & Cherry Road Schools. Each year, WEST distributes a printed directory of students, their teachers and an option for student contact information. Many families find the directory useful when arranging play dates, carpools, etc. This is your **ONLY** opportunity to share your contact information; the school cannot release it. The directory includes class lists provided by the school; therefore, **all** student names/teachers are included. If you prefer not to have your personal contact information published, you will be able to indicate this.

This year, families can submit the Student Directory form through Google Forms to help WEST get the directory distributed to families earlier in the school year.

Response Deadline: September 21st

Please be aware that responses entered after the deadline may not be included in the final published directory.

The directory is for the exclusive use of Cherry Road & Walberta Park School families and is not to be used for solicitation purposes.

WEST hopes this Student Directory facilitates connections among students and fosters a sense of community.
