The Parent Volunteer Centers Need You!

Please consider helping out in the Walberta Park School and/or Cherry Road School Parent Volunteer Centers (PVC) for the 2018-19 school year. Volunteers help out with many of the routine jobs such as stapling, cutting, laminating, assembling books, etc.. We help free up our teacher's valuable time for them to spend this time working directly with our children. You can volunteer occasionally or on a regular basis; any time you can give is very much appreciated.

Both school PVCs are open **MONDAYS** and **WEDNESDAYS** from **9-11 am** and **1:30-3:00 pm**. You may drop in whenever works for you. Please keep in mind younger children are not allowed in the school while you volunteer. However, many projects can be signed out and brought home for you to work on at your convenience. Just return the project back to school before the deadline. Please complete the below form and return to school.

If you have any questions, please contact Kelly Jackson, Walberta Volunteer Coordinator, or Amy Pendergast, CRS Volunteer Coordinator. Both can be reached at westparentorg@gmail.com.

Thanks, WEST
